Step Up for Kids 2025 - Giving Tuesday

Building on the success of our peer-to-peer fundraising last year - Step Up for Kids is happening again this year. The campaign wraps up on Giving Tuesday - December 2, 2025. You can sponsor a participant, or better yet sign up to participate to do your part and Step Up for Kids with us! Share the message with your friends & families - invite them to donate as well! All of the details can be found on our website or via this [link](#).

This is a great time for your club to donate as well. Please take [this letter](#) to your next Lions Club meeting for consideration by your members if you haven't already done so.

Upcoming Workshop Dates

We have a number of upcoming workshops for schools & communities. Please spread the word about our online training for Lions Quest school-based programs on March 10, and for communities on April 1 & 8.

Check our [website](#) for all upcoming dates & locations!

I ♥ Lions Quest Canada

The Lions Quest team in Alberta decided to shine a spotlight on the incredible clubs that have invested in Lions Quest Canada this year! They presented these special pins that not only symbolize the commitment to youth but also may spark conversations about our social emotional learning initiatives. Who doesn't love a shiny new accessory that tells a story?

ICYMI - Webinar Recording is Available

Did you miss our webinar last month? You can still watch the recording to learn more about social emotional well-being and how Lions Quest Canada is making a difference. Grab a tea or coffee, sit back and watch this hour-long presentation that includes testimonials from educators.
