### LCIF News

**A Board of Trustees meeting recently ended. Did you know that....**

- No matching grants were approved for Canada! (No applications were received!) For the year 2021-22, 8 Grants were approved in Canada for \$249 434. Internationally, 561 Grants have been approved for \$18 267 229.
- Partnerships are an important part of LCIF's action plan. Some significant partnerships include Anthem Foundation, Johnson and Johnson Vision, Latter-Day Saints Charities and Walt Disney Corporation/ESPN. As well, LCIF continues its very close relationship with The Carter Foundation, Special Olympics, Global HOPE, and the Measles/Rubella Initiative and many others.
- The Lions Legacy Program is now available in Canada! You can make a "planned gift" to the Lions of Canada Fund for LCIF. Further information will be forthcoming, but please talk to your family, your financial and legal advisors, and you may call Robert Kanonik at LCIF, [robert.kanonik@lionsclubs.org](mailto:robert.kanonik@lionsclubs.org). To date, over \$5.5M has been committed in future gifts from Lions in United States and Canada!
- As Campaign 100 comes to a close, the future of LCIF and its efforts to provide funds to continue to meet humanitarian needs around the world will take on a new focus. A new Post-Campaign 100 LCIF Volunteer Structure has been adopted by the Board of Trustees. In the near future, potential LCIF leaders will be contacted by the LCIF Executive Committee and/or your Trustee and asked to serve a 3-year term guiding LCIF initiatives in Canada. Individuals will be asked to serve as LCIF Constitutional Area Leaders, LCIF Area Leaders, LCIF Multiple District Coordinators, and LCIF District Coordinators. Also, be sure to secure the efforts of your Club LCIF Coordinator – a critical player in our efforts!
