

LEOS MAGAZINE THE ACTION

**A YOUTH
THAT MAKES THE DIFFERENCE!**

Multi District U – Quebec, Canada.

President of the Youth Commission and LEO Club.

Dear Leos and Lions friends,

Our various District Commission Presidents take the pulse of their District and I congratulate them as sincerely as possible.

It is sometimes difficult for them to have all the information appropriate to their function.

Youth Commission

The Peace Poster Contest is now over and we will provide you with the results in the next edition.

So lend a hand as a member and Club official to our Youth Commission Presidents by asking for information and participating in the Provincial Youth Activity Contest.

Otherwise, send them a short article about a Youth activity that your Club has done.

They all deserve to be shared.

This is why they will ask you for a Youth Committee manager in each of your Clubs in order to proliferate your Youth Commission.

Leo Commission

Our 7 Leo Clubs in Quebec are healthy and very active, look at their works and service activities and you will notice that they make us exemplary partners by providing services that are sometimes very different from those of the Lions.

Help your Leo Commission Presidents by asking for informative sessions in your zones and Clubs, they have the necessary tools to inform you and know how they work.

How comforting and motivating it is to see Leos and Lions render many services to their community.

I wish you all a beautiful family and friends reunion,

Have a very happy holiday season with health and love around you.

Lion Claude Gilbert

Message from the President and Founder of Club Leo Les Lucioles.

Hello Lions & Leo friends

Hi Leos,

The Leo Les Lucioles de Val d'Or club is new in the service and we have just received our charter, given by our Governor of the District U-1 2025-2026 Lions Diane Boudreau.

I have the privilege of being a founding member but also the founding President with 12 members involved and enthusiastic in their involvement.

Thanks to our Managers who guide us, Lions Isabelle and Martin and to the President of Zone 28 North-West Lions Patrick St-Yves, who is also very present.

Happy Holidays!

Leo Léa Isabel

Founding President Léo les Lucioles
U-1 District 2025-2026

Message from the president of the Léo District U-1 commission.

Hello Lions & Leos friends

Since last June in Val d'Or, we have a swarm of small Fireflies that have been trained to **SERVE** and enlighten young people of their age.

Throughout the summer, they participated in the international congress, the first meeting of the U-1 district, the D.M.U. congress and finally, on October 29 during the visit of our U-1 Lions District Governor Diane Boudreau, receive their charter.

I, Lions Isabelle Flageol, of the Lions Club Val d'Or Inc. and head of the Leos commission of District U-1, to see these young people so dynamic and enthusiastic, makes me very proud and gives me all the energy in the world to accompany them in their activities and meetings.

I want to wish

To all the Lions and especially to all our Leos, an extraordinary holiday season of **SERVICE** to their community in need.

Happy Holidays!

Lions Isabelle Flageole,

Head of the Leos commission 2025-2026
U-1 District

On October 8,

The members of the Leopard Club decided to break the isolation of elderly people living at the **Renaissance Residence**.

To get to know the participants better, the young people had a questionnaire prepared in advance.

Examples: Have you always lived in La Tuque?

Have you been in the job market?

In what area?

They made beautiful discoveries thanks to these exchanges and everyone was very happy with this meeting.

Christmas cards at the R.P.A. de la Tuque.

On October 22,

members of the Leo club sent Christmas cards to the 196 residents of the two **R.P.A. de la Tuque**.

They want to make sure that all these elderly people receive wishes for the holiday season because many no longer have family or the family lives outside the city.

Club Leo The Leopards of La Tuque Information Booth.

The staff members of the Champagnat school (where our Leo meetings take place) organized an Open Door for sixth grade, secondary 1 and secondary 2 students.

Their parents were also invited. The purpose of this meeting:

to introduce young people to all extracurricular activities.

The Club Leo school counselor asked if we were interested in holding an information kiosk to promote Club Leo.

On November 5, Leo Marilou and Lion Guy agreed to hold this kiosk.

They presented the Power Point of the activities carried out in recent years and gave them a sheet of information.

In addition, they told sixth graders that a visit to their school was scheduled for May 2026 and that they could fill out a registration form.

The young people were very interested.

La Tuque Renaissance Residence.

On November 12,

Club Leo members organized a meeting with the beneficiaries of **The Source** (The Source helps people with an intellectual disability, autism spectrum disorder or physical disability).

This time, they hosted board games (**Example:** Card game "The stinking Jack").

The participants had a lot of fun and the Leo members were proud of them because they make a big difference in the lives of these people.

The Guignolée.

The members of the Leopard Club are returned to the basement of the church St-Zéphirin to prepare the boxes of foodstuffs that will be given to the beneficiaries registered at the Guignolée.

These boxes contain lots of small sweets to bring joy to people of the community who need it so much.

CLUB LEO LES DIAMANTS.

ARMAND-CORBEIL SCHOOL COMMUNITY COMMITMENT FAIR

From left to right, the LEOS; Margarita, Noorulain, aya (president), Christian and Lion Robert Bacon Community Engagement Fair — École Armand-Corbeil, Terrebonne.

Once again this year, the Leo Les Diamants club, supported by the Club Lions Québec-Diabète, took part, on September 26, in the "Community Engagement Fair" organized by the Armand-Corbeil School in Terrebonne. This event aims to integrate students into their community by providing them with the opportunity to explore their role and engage in actions based on principles such as community service. It facilitates the recruitment of young volunteers for local organizations and allows associations to make themselves known to students. This activity is part of the school's PEI program. This International Baccalaureate (IB) Intermediate Education Program aims to develop in young people an intellectual curiosity, knowledge and sensitivity that will allow them to contribute to the construction of a better and more peaceful world, in a spirit of mutual understanding and intercultural respect, values also promoted by the Club Lions Québec-Diabète and the club Léo Les Diamants. At this event, more than 50 young people expressed their interest in joining the LÉO club, encouraged by the presence of LÉO managers: Maya, president, Noorulain, treasurer, Margarita, secretary, Christian, marketing manager and with the support of Lion Robert Bacon, Leo advisor for the Les Diamants club. To date, the show has officially recruited 7 new members, and others should soon join them.

Following this event, the Leo les Diamants club organized its first members' meeting on October 6th. At this meeting, several committees were created to develop various service activities, including the Halloween committee, the toy collection committee, and the plush committee for the creation of a dog designed and made by young people with recycled fabrics. In addition, some members have signed up for direct volunteering, such as participation in the Guignolée.

The Club Lions Québec-Diabète would like to strongly highlight and applaud the creativity and commitment of these young LEO and wishes them well-deserved success in their project. They can always count on our support, although they already organize themselves very well on their own.

BRAVO and CONGRATULATIONS to all the members of the Léo Les Diamants Club.

Message from the President of the Leo Commission District U-3.

Dear friends Léos and those who accompany them,

I wanted to congratulate you on what you have accomplished over the past year.

Your help has surely comforted the poorest in your communities.

I wish you a happy holiday season with your friends and family.

Happy Holiday

Lion Marcel Cadoret, PDG

New Year's greetings from the U-3 District Youth Commission

Dear District U-3 Lions,

The holiday season is approaching.

We want to thank you for your commitment to your community.

Your dedication is invaluable.

Merry Christmas and Happy New Year to all.

May the magic of Christmas light up your hearts and fill your homes with joy.

Your 2 Chairs of the District U-3 Youth Committee 2025-2026.

INVITE US FOR AN INFORMATION SESSION AT YOUR CLUB

EDITORIAL.

Dear Lions,

When December comes back, I have a boost of energy. I love the snow, the cold and especially the excitement caused by the approach of the holidays. I'm not talking about the multiple advertising campaigns and exceptional discounts proclaimed in all media.

What makes me happy at this time of the year is the wave of generosity towards the less well-off. Self-help services, food banks, community organizations are flooded with food, toys, clothing and also monetary donations. The forgotten and lonely receive visits and gifts. Christmas concerts are multiplying in RPAs and CHSLDs, in short, altruism is at work.

Lions clubs and Leo clubs contribute significantly and in many ways to the well-being of people in difficulty. It is a huge challenge to alleviate human misery, let us be proud of our humanitarian impact.

Enjoy all the festivities, meals with friends, family meetings, gift exchanges.

Happy Holidays to all of you.

Lucie Bélanger, PDG. Editorialist.
