WORLD SIGHT DAY

OCTOBER 8

On **October 8**, Lions Clubs will recognize World Sight Day, an important opportunity to highlight one of the causes that is especially close to our Association's heart.

We therefore invite all clubs to take advantage of the period from **October 8 to October 18**, during the **Week of Service of Vision**, to organize or promote activities aimed at visual health in your community.

WEEK OF
SERVICE
OF VISION

OCTOBER 8
TO OCTOBER 18

Here are some **ideas for activities** your club could organize:

Awareness and promotion activity
on the importance of visual health;

White Cane activity, to raise public awareness of the realities faced by people living with a visual impairment;

Collection of used eyeglasses
to give them a second life;

Promotion of screening for eye diseases and the importance of having regular eye examinations with an eye care professional;

Any other initiative that helps raise awareness in your community about the importance of preserving vision.

We encourage you to take advantage of this week to **make your club shine** and, above all, to make a tangible contribution to a cause that is at the heart of the mission of Lions Clubs.
