Only good news in our Province at the DMU

The winning design from our four Districts is Ward Semhat sponsored by the Cedar Lion Club of Lebanon of Montreal at U-1.

This year. The drawing that left for L'International comes back to us with fantastic news:

The drawing has been selected one of the 23 major prizes awarded by L'International.

This drawing was selected from the 600,000 participating designs.

We will learn on March 3 which of these 23 finalists will take the winner's prize.

It should be mentioned that little Ward is autistic, so again more remarkable.

In the last 4 years we have twice received this great privilege.

There have been over 1,000 drawings in our Multi-District.

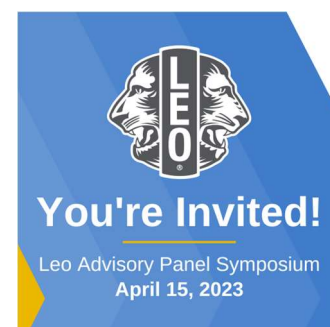

Congratulations again to Quebec, which stand out.

The Great Leo Symposium will take place on April 15.

Be ready to register.

From January 4 to 8, the 55th edition of the Pee Wee Lions Beauce Atlas Tournament took place. Thirty-six teams from categories AA, BB, A and B were welcomed by club volunteers St. Mary's Lions.

More than 540 young people were able to take part in the tournament at Centre Caztel ice rinks to promote their talent and team spirit.

This annual activity is possible thanks to the involvement of all Lions members and the many sponsors who support us.

Lions Club Clermont La Malbaie.

As an activity before the holidays I did the poster for peace activity with the group of Scout from my area.

I presented a check for \$50.00 to the winner from the Clermont la Malbaie Lions Club.

I spent the evening with them because I am godmother because they come from all corners Charlevoix and are very dynamic.

Leopards Activity.

On November 23, during their regular meeting, club members sent Christmas cards to all residents of Les Bâisseurs.

The president (Leo Eva) who works weekends in this environment, made the distribution to all these seniors.

Club Léo of Tuque - Packaging of recycled glasses.

On Wednesday January 11, 2023, the lion Diane Langevin, who is responsible for the glasses to be recycled, came to see us at Champagnat high school (La Tuque) because we had agreed to help her pack glasses that were picked up everywhere in the city of La Tuque.

She first explained to us what we were doing with the glasses we were going to pack. So we were 5 Leo members (Heidi, Marilou, Rébecca, Kellan and myself Éva Marceau), 4 lion members (Huguette Bolduc-Cadorete, Lise Fréchette, Sylvie Gauthier, Diane Langevin) to do the packaging.

So we packed a total of (322) pairs of glasses in forty minutes.

This experience allowed me to learn more about why used glasses are collected and where they are sent.

Thanks to the lion Diane Langevin for this great experience!

Layne and Milan, both in kindergarten, winners of the Lions drawing competition in preschool classes, in St-Agapit.

Toboggans are courtesy of our local quayside store, BMR.

A check for \$250 is also given to preschool teachers for the participation of all their young people in order to renew various materials for preschool classes.

Children's Christmas.

Children's Christmas This year, Children's Christmas took place throughout the weekend of December 10. As expected, the luminous Santa Claus Hike was able to cheer up the villagers. On Saturday, in drive-thru mode, 230 excited and happy children received their well-wrapped gifts from Santa Claus. We received help from Scouts from the 127th Agapogil scout group to hold a snack bar near the inflatable games and also monitor them. Not to mention, on Sundays, children and parents were invited to our Christmas Cinema to watch a good Christmas film in the warmth.

LEOS and LIONS Friends

We are currently witnessing a change in attitude, custom and even culture among Lions towards the Leo program.

I see and feel more openness of our Lions to show our youth more compassion towards their fellows.

We officially have a new Leo Club in our District of U-2 having officially received their charter on the 30 last January, but which had started their activities in charity since last October.

Three Leo of the Draveurs in action.

International LEO membership continues to grow to skyrocket.

Get in the parade instead of looking at.

Our future Leos are ready.

PRESENTATION BY THE GOVERNOR.
Peace Poster Contest.

The governor being unable to come himself to give the D.M.U. scholarship to the young Gabriel Dubé, I went as responsible for the U-3 District to give it to him.

The other students were all amazed to receive all these coins for his poster.

In total he received \$300.00

Generosity in U-3 District.

Since last October, District U-3 has become aware of another case of a sick child from cancer.

Child of 5 and a half years in recurrence of a first cancer when she was about 3 years old.

Fifteen Clubs and 14 members at large from the District made a very happy gesture to come to the aid of the family, because they have to travel regularly to hospitals in Quebec.

Before the holidays, Emma had 6 weeks of treatment/5 days a week.

She is returned home and this week she must return to Quebec for further examinations and if possible to have the results of the biopsy that was sent to Toronto in order to know if she will have to new to chemotherapy or not. The family is very grateful for the donations received from our Lions clubs for a total amount of \$4970.00. I have visited the family a few times for their hand over various checks from these Clubs.

They are very nice people and they keep hope. Little Emma made me a nice drawing to thank me.

In the photos: Emma with her brother Alexy and I handing over the last check on January 2 last.

Message from the president of the Youth Commission U-3 District.

Hello fellow Lions,

Christmas is now over, we were able to socialize with family and friends and now we are back in great shape to continue the current year.

How about asking me to tell you about Leo Clubs?

There is potential with members of the Boards of Youth Centers.

I am entirely at your disposal and look forward to hearing from you.

ÉDITORIAL.

Lions friends,

February is the month of **Valentin's Day**, therefore the month of **love**

You **like** being Lions, give young people the chance to benefit from this **love**.

The foundation of a Club Léo is an act of **love** for young people.

Pay attention, take a good look around you, many young people are inactive, for them a little help, an invitation, it means that someone cares for them and **loves** them, they will appreciate.

Do not hesitate, find a Lion in your club who loves a challenge; let him know you would **like** may founding a Leo club be a concrete act of **love**.
